

## **HOW TO REPORT A WORKPLACE INJURY**

**If immediate medical attention is required:** Direct the injured employee to the nearest urgent care clinic or emergency facility. Then **report the injury within 24 hours.**

**If immediate medical attention is not required:** Report the injury as soon as possible to have a claims adjuster assigned who can authorize medical treatment.

**Florida law requires all workplace injuries be reported within 7 days. If injuries are not reported timely, the State of Florida can fine you up to \$2,000.**
